

Bizzie's summer fun!

Make your own vase of flowers with Bizzie.

Bizzie's list

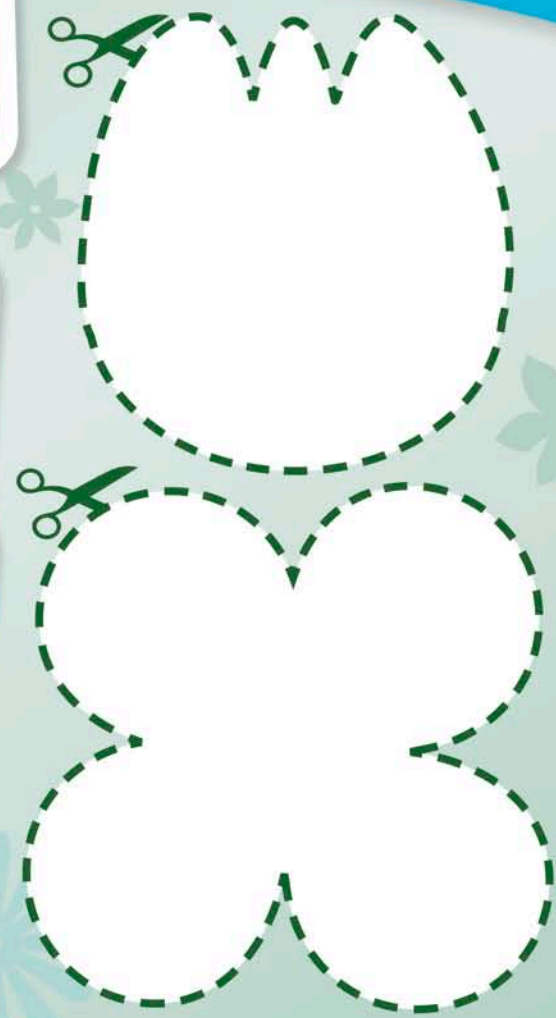

- A grown-up helper
- A clean, empty Fairy washing-up bottle. This will make your vase.
- Four straws for your flowers. Make sure they're the colourful bendy ones!
- Safe scissors, glue or sticky tape
- Pencils or paint to decorate
- Card

1 Ask a grown-up to take the top off your washing-up bottle, which will be your vase.

2 Using the templates, make four flower heads and decorate them. Then stick them to the straws.

3 Put your finished flowers in the vase!

+ Grown-up helpers

Fairy Antibac Naturals brought to you by the Fairy Kitchen...

+ Fairy Antibac Naturals cares for you and your family thanks to its antibacterial action that stops the growth of germs in your sponge.
